## Health Message

**Good Sabbath Church,**

***Everyone loves music! But there are so many different types. The right music can heal you or bring you to a calming state of peace. King Saul requested from Jesse, that his young son, David, come and play music for him when he was being tormented by bad spirits,***

***And so it was, whenever the spirit from God was upon Saul, that David would take a harp and play it with his hand. Then Saul would become refreshed and well, and the distressing spirit would depart from him. 1 Samuel 16:23***

**Ellen White writes:**

***"The Power of Song. The history of the songs of the Bible is full of suggestion as to the uses and benefits of music and song. Music is often perverted to serve purposes of evil, and it thus becomes one of the most alluring agencies of temptation. But, rightly employed, it is a precious gift of God, designed to uplift the thoughts to high and noble themes, to inspire and elevate the soul."***

**Good choices in music can improve your mental health.**

**May God Bless Your Journey to Good Health,**

**Your Sister,  
Sandra Torres**
